OBJECTIVE

Motivated and eager-to-learn web developer and event enthusiast looking to build a career by working hard, working smart, and bringing my technical background and organizational experience together to learn from the best and grow with every project.

KEY SKILLS

Programming Languages: Python, Java, JavaScript, PHP, HTML, CSS, Bootstrap, SQL

Databases: MySQL

Office & Productivity: Microsoft Excel (Intermediate – Data Analysis, Formulas, Spreadsheets), **Microsoft Word** (Documentation, Detailed Reporting), **Microsoft PowerPoint / PPT** (Presentations, Pitch Decks)

Tools & Platforms: Visual Studio Code, Git, GitHub

Soft Skills: Problem solving, teamwork, adaptability, strong interpersonal abilities, creative thinking, leadership, time management, and multitasking under pressure

WORK EXPERIENCE

SPORTS ANALYST — Hudl

- Analyzed player and team performance using match statistics, video analysis, and custom quantitative performance metrics.
- Created comprehensive analytical reports and visual summaries utilizing **Microsoft Excel** and **PowerPoint (PPT)** to support coaching staff and tactical decision-making.
- Evaluated player strengths, weaknesses, and performance trends across competitive matches and routine training sessions.
- Assisted in strategic opponent analysis by systematically reviewing game footage, identifying key behavioral patterns, and documenting findings using **Microsoft Word**.
- Maintained accurate sports data records and performance databases to streamline internal operational workflows.

EVENT MANAGEMENT EXPERIENCE

Head Organizer – Annual College Fest ("Solasta") — Feb 2025

Thakur Ramnarayan College of Arts and Commerce, Mumbai

- Led a 25+ member cross-functional organizing committee for a multi-day college cultural and technical fest with over 2,000 attendees.
- Managed end-to-end event planning: strategic venue setup, vendor coordination, detailed master scheduling, and flawless on-ground execution.
- Designed sponsorship pitch decks in **PowerPoint** and maintained budget logs in **Excel**, collaborating with sponsors to secure event funding and resource allocation.
- Oversaw promotional marketing campaigns across digital social media channels, campus posters, and direct student outreach.
- Ensured seamless logistics and executed rapid real-time troubleshooting during live events.

EDUCATION

Degree / Qualification	Institution	Year	Score
